## DIRECTORS' REPORT

The Directors of your company have pleasure in submitting the report along with audited accounts for the year ended 30th June 2021.

### OPERATING PERFORMANCE

On a challenging business environment, the company earned profit after tax of Rs. 41.63 million for the year under review as compared to loss after tax of Rs. 43.77 million during the last year. Sales increased to Rs. 1,126.65 million as compared to Rs. 927.01 million during the corresponding year. The increase in sales was attributed to higher sales volume and increase in selling price of tiles.

### EARNINGS / LOSS PER SHARE

Earning per share for the year ended 30 June, 2021 is Rs. 2.86 as compared to loss per share Rs. 3.01 for the last year.

### HEALTH, SAFETY AND ENVIRONMENT

We strongly believe in maintaining the highest standards in health, safety and environment to ensure the well-being of the people who work with us as well as of the communities where we operate.

### CORPORATE SOCIAL RESPONSIBILITY:

Your company is aware of its social responsibilities and continues to contribute for health and education in Pakistan.

### FUTURE OUTLOOK

The building and construction activity in Pakistan has increased tremendously and is reaching new heights as per the Government of Pakistan Housing Program and stimulus package for the construction industry. Although the packages have led to a significant rise in activity and workload in the construction sector, it will take some time to see their results and effects on the economy. Currently the buying is more on cement and steel but we are very hopeful before the end of the year ceramic tiles for bathroom and floor will be required. This may give us an opportunity that we are all awaiting. In the past 10 to 12 years we saw competition from China, dumping of goods into Pakistan by China as well as smuggled goods coming in from Iran.

Recently, there are several more manufactures that have entered the Pakistan market where they are working on the free trade zone and mostly of Chinese origin. These plants have several tax benefits and tax exemption for ten years including income tax and turnover tax.

## CODE OF CORPORATE GOVERNANCE

The Directors of the company have reviewed the Code of Corporate Governance and are pleased to state that:

- The Company is complied with the provisions of the Code of Corporate Governance as required by the Securities and Exchange Commission of Pakistan (SECP).
- The financial statements, prepared by the management of your company present fairly its state of affairs, the results of its operation, cash flow and changes in equity.
- Proper books of accounts of the company have been maintained.
- Appropriate accounting policies have been consistently applied in preparation of financial statements and accounting estimates are based on reasonable and prudent judgement.
- The International Financial Reporting Standards, as applicable in Pakistan, have been followed in preparation of financial statements.
- The system of internal control is sound in design and has been effectively implemented and monitored.
- There is no significant doubt upon the Company's ability to continue as a going concern.
- A summary of key operating and financial data of the Company for the last six years is annexed in this annual report.
- There are no outstanding statutory payments due on account of taxes, levies and charges except those disclosed in these financial statements.
- There has been no material deviation from the best practice of Corporate Governance, as detailed in the listing regulations.

## ڈائریکٹرز رپورٹ

آپ کی کمپنی کے ڈائریکٹرز اختتامی سال 30 جون 2021ء کی رپورٹ بشمول آڈٹ شدہ اکاؤنٹ پیش کرنے میں خوشی محسوس کر رہے ہیں۔

### کارکردگی کا معیار:

دوران جائزہ سال کے دوران کمپنی نے بعد از ٹیکس منافع مبلغ 41.63 ملین روپے کمایا جس کا موازنہ گذشتہ سال کے بعد از ٹیکس خسارہ مبلغ 43.77 ملین روپے سے کیا جاسکتا ہے۔ فروخت میں مبلغ 1,126.65 ملین روپے کا اضافہ ہوا جو کہ گذشتہ سال 927.01 ملین روپے تھی۔ یہ اضافہ فروخت کے حجم اور قیمت فروخت میں اضافہ کی وجہ سے ہوا۔

### فی شیئر کے حساب سے آمدنی/خسارہ:

30 جون 2021ء کو ختم ہونے والے سال میں فی شیئر آمدنی 2.86 روپے ہے جس کا موازنہ گذشتہ سال کے خسارے فی شیئر 3.01 روپے سے کیا جاسکتا ہے۔

### صحت، حفاظت اور ماحول:

جو لوگ ہمارے ساتھ کام کرتے ہیں اور ان کے ساتھ برادریاں جہاں ہم کام کرتے ہیں ان کی خوشحالی کو یقینی بنانے کیلئے ہم صحت، تحفظ اور ماحول کو اعلیٰ ترین معیار کو برقرار رکھنے پر زور دیتے ہیں۔

### کارپوریٹ معاشرتی ذمہ داریاں:

آپ کی کمپنی اپنی معاشرتی ذمہ داری سے پوری طرح آگاہ ہے اور پاکستان میں صحت اور تعلیم کیلئے مستقل طور پر تعاون کر رہی ہے۔

### مستقبل پر نظر:

پاکستان میں عمارت اور تعمیراتی سرگرمیوں میں زبردست اضافہ ہوا ہے اور حکومت پاکستان ہاؤسنگ پروگرام اور تعمیراتی صنعت کے لیے محرک پیکج کے مطابق نئی بلندیوں کو چھو رہی ہے۔ اگرچہ پیکجیز نے تعمیراتی شعبے میں سرگرمی اور کام کے بوجھ میں نمایاں اضافہ کیا ہے، لیکن ان کے نتائج اور معیشت پر اثرات دیکھنے میں کچھ وقت لگے گا۔ فی الحال خریداری سینٹ اور سٹیل پر زیادہ ہے لیکن ہم پر امید ہیں کہ سال کے اختتام سے پہلے ہمارے فروز اور فرش کے لیے سیرائل درکار ہوں گے۔ اس سے ہمیں ایک موقع مل سکتا ہے جس کا ہم سب انتظار کر رہے ہیں۔ گذشتہ 10 سے 12 سالوں میں ہم نے چین سے مقابلہ دیکھا، چین کی طرف سے پاکستان میں سامان آنے کے ساتھ ساتھ ایران سے اسمگل شدہ سامان بھی آیا۔

حال ہی میں، مزید کئی مینوفیکچررز ہیں جو پاکستان کی مارکیٹ میں داخل ہو چکے ہیں جہاں وہ فری ٹریڈ زون پر کام کر رہے ہیں اور زیادہ تر چینی نژاد ہیں۔ ان پلانٹس میں کئی ٹیکس فوائد اور دس سال تک ٹیکس چھوٹ بشمول انکم ٹیکس اور ٹرن اوور ٹیکس ہیں۔

#### کارپوریٹ نظم و ضبط کا کوڈ:

کمپنی کے ڈائریکٹرز نے کارپوریٹ نظم و ضبط کے کوڈ کا جائزہ لیا ہے اور درج ذیل تحریر کرتے ہیں:

- ☆ نظم و ضبط کے حوالے سے کمپنی میں کارپوریٹ گورننس کو مکمل طور پر نافذ کیا ہے جو کہ سیکیورٹیز اینڈ ایکسچینج کمیشن آف پاکستان (SECP) کی ضروری ہے۔
- ☆ کمپنی کی انتظامیہ کی جانب سے تیار کردہ مالیاتی گوشوارے کمپنی کے حالات، اس کے آپریشنز کے نتائج، کیش فلو اور ایکویٹی میں تبدیلی کی شفاف عکاسی کرتے ہیں۔
- ☆ کمپنی کے کھاتے مناسب طریقہ سے رکھے جا رہے ہیں۔
- ☆ مناسب اکاؤنٹنگ پالیسیوں کے تسلسل کو مالیاتی گوشوارے کی تیاری میں لاگو کیا گیا ہے۔ اکاؤنٹنگ کے اندازے ماہرانہ اور محتاط فیصلوں پر مبنی ہوتے ہیں۔
- ☆ مالیاتی گوشوارے کی تیاری میں بین الاقوامی مالیاتی رپورٹنگ معیارات، جو کہ پاکستان میں نافذ العمل ہیں، ان کی پیروی کی گئی ہے۔
- ☆ انٹرنل کنٹرول کے نظام مضبوط ہیں اور اس کی موثر طریقے سے عملدرآمد اور نگرانی کی جاتی ہے۔
- ☆ آنے والے سالوں میں کمپنی کے کاروباری تسلسل پر کوئی قابل ذکر شکوک و شبہات نہیں ہیں۔
- ☆ اہم مالیاتی تفصیلات اس ڈائریکٹر رپورٹ میں فراہم کر دی گئی ہیں۔
- ☆ ٹیکسز، ڈیوٹیز اور دیگر چارجز کے اکاؤنٹ پر کوئی ادائیگی واجب الادا نہیں ہے جو کہ مالیاتی سال سے متعلق ہے۔
- ☆ کارپوریٹ نظم و ضبط کی اعلیٰ پریکٹس کے سلسلے میں کوئی مواد موجود نہیں ہے جیسا کہ قوانین کی فہرست میں دیا گیا ہے۔

#### بورڈ آف ڈائریکٹرز کی تبدیلی:

- ۱۔ محترمہ انوشکا قاسم 9 اپریل 2021ء کو استعفیٰ دیا۔
- ۲۔ محترمہ منیرہ قاسم 9 اپریل 2021ء کو تقرری ہوئی۔

### بورڈ کی منعقدہ میٹنگز کی تعداد:

زیر نظر سال کے دوران بورڈ آف ڈائریکٹرز کی چار میٹنگز منعقد ہوئی تھیں جس میں شرکت کرنے والے ڈائریکٹرز کی تفصیل درج ذیل ہے:

4	جناب ارشاد علی ایس قاسم
4	جناب منور علی ایس قاسم
4	محترمہ مریم ایس جی قاسم
1	محترمہ انوشکا قاسم

(جو ممبران میٹنگ میں شرکت نہیں کر سکے ان ڈائریکٹرز کو غیر حاضری کے سبب چھٹی دی گئی)۔

نان ایگزیکٹو ڈائریکٹرز کی معاوضہ کی پالیسی:  
ڈائریکٹرز کے معاوضے کا تعین وقتاً فوقتاً جنرل مینٹنگ میں ممبران کمپنیز ایکٹ 2017 کی شق کے تحت کریں گے۔

ڈائریکٹرز کا تربیتی پروگرام:  
کارپوریٹ نظم و ضبط کے کوڈ میں ضروری ہے کہ ہر کمپنی اپنے ڈائریکٹرز کے لئے مناسب انتظامات کرے۔ کمپنی کے موجودہ تین ڈائریکٹرز کو ڈائریکٹرز کے تربیتی پروگرام سے مستثنیٰ قرار دیا گیا ہے کیونکہ ان کی کم از کم تعلیم 14 سالوں پر مشتمل ہے اور انہیں کمپنی کے بورڈ میں 15 سالہ تجربہ حاصل ہے۔ آپ کی کمپنی کے بورڈ نے ضروری اقدامات کئے ہیں تاکہ اس کلاز کی ضروریات کو مکمل کیا جاسکے۔ تمام ڈائریکٹرز نے کارپوریٹ نظم و ضبط کے کوڈ کے تحت سرٹیفیکیٹ حاصل کئے ہیں۔

ملازمین سے تعلقات:  
زیر نظر سال کے دوران انتظامیہ لیبر یونین کے مثبت رویے کے لئے ریکارڈ پر خراج تحسین درج کرے گی اور ہم امید کرتے ہیں کہ تمام معاملات مشترکہ تعاون سے حل کئے جائیں گے جو کہ لیبر یونین کے موثر تعاون سے حاصل ہوگا۔

آڈیٹرز:  
کمپنی کے موجودہ آڈیٹرز میسرز کرو حسین چوہدری اینڈ کمپنی چارٹرڈ اکاؤنٹینٹس ریٹائرڈ ہو چکے ہیں انہوں نے دوبارہ تقرری کی اہلیت پر کمپنی میں اپنی خدمات پیش کرنے کی سفارش کی ہے۔ بورڈ نے 30 جون 2022ء کو ختم ہونے والے سال کے لیے ریٹائر ہونے والے آڈیٹرز کی آئندہ سالانہ جنرل مینٹنگ میں شیئر ہولڈرز کی منظوری کے لیے سفارش کی ہے۔

شیئر ہولڈنگ کا طریقہ کار:

## **Independent Auditor's Review report to the Members of Karam Ceramics Limited Review Report on the Statement of Compliance Contained in Listed Companies (Code of Corporate Governance) Regulations, 2019**

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the 'Regulation') prepared by Board of Directors of **Karam Ceramics Limited** (the 'Company'), for the year ended June 30, 2021 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, it related party transactions and also ensure compliance with the requirements of section 28 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Company's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance for and on behalf of the Company, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2021

Further, we highlight below instance of non-compliance with the requirement of the Regulations as reflected in the paragraph reference wherein it is stated in the Statement of Compliance:

Paragraph Reference	Description
i) 24(4)(vii)	Review of the scope and extent of internal audit, plan, reporting framework and procedures and ensuring that the internal audit function has adequate resources and is appropriately placed within the company.

## Independent Auditor's Review report to the Members of Karam ceramics Limited

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the annexed financial statements of the **Karam Ceramics Limited** (the Company), which comprise the statement of financial position as at June 30, 2021 and the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss statement and the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2021 and of its profit and other comprehensive income, the changes in equity and its cash flows for the year then ended.

#### Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Following are the Key Audit Matters:**

S.No,	Key Audit Matters	How the matter was addressed in our audit
i.	<p><b>Revaluation of land and building</b>  <b>Refer note 5 and 16 to the annexed financial statements</b></p> <p>Under the International Accounting Standards 16 "Property , Plant and Equipment" the management carries its freehold land and buildings under revaluation model. Under the said model, if fair value can be measured reliably an entity may carry all items of property, plant and equipment of a class at revalued amount, which is the fair value of the items at the date of the revaluation less any subsequent accumulated depreciation and accumulated impairment losses; if any</p> <p>As at June 30, 2021, the carrying value of free hold land and buildings was Rs.673,857 million. The fair value of the Company's free hold land and buildings were assessed by management based on independent valuation performed by an external property valuation expert as at June 30, 2021</p> <p>We indentified revaluation of property, plant and equipment as a key audit matter due to the significant carrying value and the significant management judgement and estimation involved in determining their values.</p>	<p>Our audit procedures, amongst others, included the following :</p> <ul style="list-style-type: none"> <li>Evaluated the competence, capabilities and objectivity of the independent external property valuation expert engaged by the management as management expert for valuation.</li> <li>Obtained understanding of the valuation process and techniques adopted by the valuation expert to assess reasonableness of the report.</li> <li>Obtained the valuation report of external valuation expert and tested mathematical accuracy of the report.</li> <li>Assessed, the appropriateness and the reasonableness of the related assumptions and methodologies used by the management expert; and</li> <li>Assessed the adequacy of the related disclosures in the annexed financial statements</li> </ul>
ii.	<p><b>Contingencies</b>  <b>Refer note 24 to the annexed financial statements.</b></p> <p>The Company is subject to material litigations involving recoveries of tariff, rates, cess and tax.</p> <p>The accounting for, and disclosure of, contingencies is complex and is a matter of most significance in our audit because of the judgements required to determine the level of certainty on these matters.</p>	<p>Our audit procedures amongst others, included the following:</p> <p>Obtained an understanding of the Company's processes and Controls over litigations through meetings with the management and reviewed the minutes of the Board of Directors</p> <ul style="list-style-type: none"> <li>Inspected correspondence file of the Company with regulatory departments and the Company's external counsel.</li> <li>Circularized confirmations to the Company's external legal advisor.</li> <li>Whilst noting the inherent uncertainties involved with the legal and regulatory matters, assessing the appropriateness of the related disclosures made in the annexed financial statements.</li> </ul>

### **Information Other than the Financial Statements and Auditors' Report Thereon**

The Management is responsible for the other information . The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated, If based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Board of Directors for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error,

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so,

Board of directors are responsible for overseeing the Company's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists, Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements .

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit We also;

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery intentional omissions, misrepresentations, or override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' report to the related disclosures in the financial statements or, such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern,
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS**

Based on our audit, we further report that in our opinion;

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;

- 
- c) investments made, expenditure incurred and guarantees extended the year were for the purpose of the Company's business; and
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980),

**Other Matter**

The financial statements of the Company for the year ended June 30, 2020 were audited by another firm of Chartered Accountants, whose report dated October 31, 2020 expressed an unmodified opinion in such financial statements.

The engagement partner on the audit resulting in this independent auditor's report is Imran Shaikh.

## **NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2021**

### **1. THE LEGAL STATUS AND OPERATIONS**

Karam Ceramics Limited (the 'Company') was incorporated in Pakistan on April 8, 1979 as a public limited company under the repealed Companies Act, 1913 (now Companies Act, 2017). The shares of the Company are quoted on Pakistan Stock Exchange. The registered office of the Company is situated at BC-6, Block-5, Kehkashan, Clifton, Karachi, Pakistan and manufacturing facilities of the Company are located at 295/311, Deh Halkani, Hub Dam Road, Manghopir, Karachi. The principal activity of the Company is manufacturing and sale of tiles.

Business Unit	Geographical Location
Factory	295/311, Deh Halkani, Hub Dam Road, Manghopir, Karachi.
Ware house	S-86R-257/H-Hall, Main Ferozpur Road, Lahore

### **2. BASIS OF PREPARATION**

#### **2.1 Statement of Compliance**

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017 have been followed.

#### **2.2 Basis of Measurement**

These financial statements have been prepared under the historical cost convention except to the extent of the following:

##### **a) Staff retirement benefits (Gratuity)**

The Company uses the valuation performed by an independent actuary to determine the present value of its retirement benefit obligations.

**b) Certain property, plant and equipment**

The Company is using the revaluation model for certain property, plant and equipment. Revaluation is performed by an independent valuer periodically.

**c) Interest free loans from directors**

The Company is carrying interest free loans from directors at amortized cost.

**2.3 Functional and presentation currency**

These financial statements are prepared and presented in Pak Rupees (PKR or Rupee) which is the Company's functional and presentation currency. All the figures have been rounded off to the nearest rupee, unless otherwise stated.

**2.4 Key judgements and estimates**

The preparation of financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires the use of certain critical accounting estimates. In addition, it requires management to exercise judgement in the process of applying the Company's accounting policies. The areas involving a high degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are documented in the following accounting policies and notes, and relate primarily to:

- (a) Property, plant and equipment (refer note 4.1)
- (b) Stock-in-trade and stores and spares (refer note 4.3)
- (c) Trade debts, loans, advances, deposits and other receivables (refer note 4.4)
- (d) Staff retirement benefits (refer note 4.9)
- (e) Provisions (refer note 4.16)
- (f) Taxation (refer note 4.8)
- (g) Impairment of non-financial assets (refer note 4.5)
- (h) Lease liabilities (refer note 4.11)
- (i) Government grant (refer note 4.10)
- (j) Contingent assets and contingent liabilities (refer note 4.18 & 4.19)

**3 New and amended standards and interpretations**

**(a) Standards, amendments to approved accounting standards effective in current year**

There were certain amendments to approved accounting standards and interpretations that are mandatory for the financial year beginning on July 01, 2021. However, these are considered not to be relevant or to have any significant effect on the Corporation's financial reporting and operations and, therefore, have not been disclosed in these financial statements.

**b) Standards, amendments to approved accounting standards and interpretations that are not yet effective and have not been early adopted by the Company**

**Effective date  
(annual periods  
beginning on or after)**

IAS 37 Onerous contracts	January 1,2022
IAS 16 Proceeds before an asset's intended use	January 1,2022

There are number of other standards, amendments and interpretations to the approved accounting standards that are not yet effective and are also not relevant to the Corporation and therefore, have not been presented here.

**4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The significant accounting policies adopted in the preparation of these financial statements are set out below.

**4.1 Property, Plant and Equipment**

**Owned**

**Measurement**

Items of property, plant and equipment other than land, buildings, leasehold improvements and capital work in progress are measured at cost less accumulated depreciation and impairment loss (if any).

Freehold land and building on freehold land are measured at the revalued amount less accumulated depreciation and impairment loss (if any).

Capital work in progress is stated at cost less impairment loss (if any).

**Revaluation**

Any revaluation increase arising on the revaluation of freehold land and building on freehold land is recognised in other comprehensive income and presented as a separate component of equity as "Revaluation surplus on property, plant and equipment", except to the extent that it reverses a revaluation decrease for the same asset previously recognised in profit or loss, in which case the increase is credited to profit or loss to the extent of the decrease previously charged. Any decrease in carrying amount arising on the revaluation of freehold land and building on freehold land is charged to profit or loss to the extent that it exceeds the balance, if any, held in the Revaluation surplus on property, plant and equipment relating to a previous revaluation of that asset. The surplus on revaluation of building on freehold land to the extent of incremental depreciation charged (net of deferred tax) is transferred to unappropriated profit.

"

## 4.2 Depreciation

Depreciation is charged so as to write off the cost or revalued amount of assets (other than freehold land and capital work in progress) over their estimated useful lives, using the reducing balance method at rates specified in note 5 to the financial statements.

### Disposal

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising on derecognition of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amounts of the asset and is recognised in as other income in the statement of profit or loss. In case of the derecognition of a revalued property, the attributable revaluation surplus remaining in the surplus on revaluation is transferred directly to the unappropriated profit.

### Judgement and estimates

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

### Impairment

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

### Leased

Assets subject to finance lease are stated at lower of present value of minimum lease payments as per the lease agreements and the fair value of assets less accumulated depreciation at the basis applicable to Company's owned assets. The related obligations of lease are accounted for as liabilities. Financial charges are allocated to accounting periods in a manner so as to provide a constant periodic rate of charge on the outstanding liability.

## 4.3 Inventories

Stock in trade is valued at the lower of cost and estimated net realisable value. Cost is determined as follows:

Raw materials in stock	-	Lower of weighted average cost and net realisable value
Raw materials in transit		Lower of actual cost and net realisable value (NRV)
Work-in-process		Lower of weighted average cost and net realisable value
Finished goods	-	Lower of weighted average cost and net realisable value

The Company reviews the carrying amounts of communication stores on an on going basis and provision is made for obsolescence if there is any change in usage pattern and physical form. Impairment is also made for slow moving items.

'NRV signifies the estimated selling price in the ordinary course of business less estimated cost of completion and estimated cost necessary to be incurred to effect such sale.

#### **4.4 Trade debts, loans, advances, deposits and other receivables**

These are initially measured at the fair value of the consideration receivable. Subsequently these are valued at amortised cost. These assets are written off when there is no reasonable expectation of recovery. Credit loss is based on the expected credit loss.

#### **4.5 Impairment of non-financial assets**

At each reporting date, the Company reviews the carrying amounts of its non-financial assets (other than inventories and deferred tax assets) to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or Cash Generating Units (CGUs).

The recoverable amount of an asset or CGU is the greater of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its recoverable amount.

Impairment losses are recognised in profit or loss. They are allocated to reduce the carrying amounts of the assets in the CGU on a pro rata basis.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised. A reversal of impairment loss for a cash generating unit is allocated to the assets of the unit, pro rata with the carrying amounts of those assets. The increase in the carrying amounts shall be treated as reversals of impairment losses for individual assets and recognized in profit or loss unless the asset is measured at revalued amount. Any reversal of impairment loss of a revalued asset shall be treated as a revaluation increase.

#### **4.6 Cash and cash equivalents**

Cash and cash equivalents in the statement of financial position comprise cash at banks and on hand and short-term highly liquid deposits with a maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

#### **4.7 Foreign currency transactions**

Transactions in foreign currencies are translated to Pakistani Rupees at the foreign exchange rates prevailing on the date of transaction. Monetary assets and liabilities in foreign currencies are translated into Pakistani Rupees at the rates of exchange approximating those at the statement of financial position date. Exchange gains / losses resulting from the settlement of transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are taken to the statement of profit or loss.

#### **4.8 Income tax**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

##### **(i) Current**

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

##### **(ii) Deferred**

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for deductible temporary differences and unused tax losses and credits only if it is probable that future taxable amounts will be available to utilise those temporary differences and unused tax losses and credits.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

### **Judgement and estimates**

Significant judgment is required in determining the income tax expenses and corresponding provision for tax. There are many transactions and calculations for which the ultimate tax determination is uncertain as these matters are being contested at various legal forums. The Company recognizes liabilities for anticipated tax issues based on estimates of whether additional taxes will be due. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the current and deferred tax assets and liabilities in the period in which such determination is made.

Further, the carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. If required, carrying amount of deferred tax asset is reduced to the extent that it is no longer probable that sufficient taxable profits to allow the benefit of part or all of that recognised deferred tax asset to be utilised. Any such reduction shall be reversed to the extent that it becomes probable that sufficient taxable profit will be available.

### **Off-setting**

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

## **4.9 Employee benefits - retirement benefits**

### **Defined Benefit Plan - Gratuity**

The Company operates an Unfunded Gratuity Scheme for all its permanent employees who attain the minimum qualification period for entitlement to gratuity.

Defined benefit plans provide an amount of gratuity that an employee will receive on or after retirement, usually dependent on one or more factors such as age, years of service and compensation. A defined benefit plan is a plan that is not a defined contribution plan. The liability recognized in the statement of financial position in respect of defined benefit plans is the present value of the defined benefit obligations at the end of the reporting period. The defined benefit obligations are calculated annually by independent actuary using the projected unit credit method.

The present values of the defined benefit obligations are determined by discounting the estimated future cash outflows using interest rates of high-quality corporate bonds or the market rates on government bond. These are denominated in the currency in which the benefits will be paid, and that have terms to maturity approximating to the terms of the related gratuity obligation.

Remeasurement gains / losses are recognized in other comprehensive income.

The interest cost is calculated by applying the discount rate to the balance of the defined benefit obligation. This cost is included in employee benefit expense in the statement of profit or loss.

### **Judgement and estimates**

In determining the liability for long-service payments management must make an estimate of salary increases over the following five years, the discount rate for the next five years to use in the present value calculation, and the number of employees expected to leave before they receive the benefits.

#### **4.10 Government grants**

Government grants are transfers of resources to an entity by a government entity in return for compliance with certain past or future conditions related to the entity's operating activities - e.g. a government subsidy. The definition of "government" refers to governments, government agencies and similar bodies, whether local, national or international.

The Company recognizes government grants when there is reasonable assurance that grants will be received and the Company will be able to comply with conditions associated with grants.

Government grants are recognized at fair value, as deferred income, when there is reasonable assurance that the grants will be received and the Company will be able to comply with the conditions associated with the grants.

Grants that compensate the Company for expenses incurred, are recognized on a systematic basis in the income for the year in which the related expenses are recognized. Grants that compensate for the cost of an asset are recognized in income on a systematic basis over the expected useful life of the related asset.

A loan is initially recognized and subsequently measured in accordance with IFRS 9. IFRS 9 requires loans at below-market rates to be initially measured at their fair value - e.g. the present value of the expected future cash flows discounted at a market-related interest rate. The benefit that is the government grant is measured as the difference between the fair value of the loan on initial recognition and the amount received, which is accounted for according to the nature of the grant.

#### **4.11 Lease Liabilities**

Lease liabilities are initially measured at the present value of the lease payments discounted using the interest rate implicit in the lease. If the implicit rate cannot be readily determined, the Company's incremental borrowing rate is used. Subsequently these are increased by interest, reduced by lease payments and remeasured for lease modifications, if any.

Liabilities in respect of short term and low value leases are not recognised and payments against such leases are recognised as expense in profit or loss.

#### **4.12 Trade and Other Payables**

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within one year of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

#### **4.13 Borrowing costs**

Borrowing costs are recognized as an expense in the period in which they are incurred except where such costs are directly attributable to the acquisition, construction or production of a qualifying asset in which such costs are capitalized as part of the cost of that asset.

#### **4.14 Financial instruments**

##### **Financial Assets**

The Company classifies its financial assets at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of the Company's business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

##### **a) Financial assets at amortised cost**

Financial assets at amortised cost are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets, impairment losses, foreign exchange gains and losses, and gain or loss arising on derecognition are recognised directly in profit or loss.

##### **b) Financial assets at fair value through other comprehensive income**

Financial assets at fair value through other comprehensive income are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### **c) Financial assets at fair value through profit or loss**

Financial assets at fair value through profit or loss are those financial assets which are either designated in this category or not classified in any of the other categories. A gain or loss on debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss in the period in which it arises.

Financial assets are initially measured at cost, which is the fair value of the consideration given and received respectively. These financial assets and liabilities are subsequently remeasured to fair value, amortized cost or cost as the case may be. Any gain or loss on the recognition and de-recognition of the financial assets and liabilities is included in the profit or loss for the period in which it arises.

Equity instrument financial assets are measured at fair value at and subsequent to initial recognition. Changes in fair value of these financial assets are normally recognised in profit or loss. Dividends from such investments continue to be recognised in profit or loss when the Company's right to receive payment is established. Where an election is made to present fair value gains and losses on equity instruments in other comprehensive income there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment.

Financial assets are derecognised when the rights to receive cash flows from the assets have expired or have been transferred and the Company has transferred substantially all risks and rewards of ownership. Assets or liabilities that are not contractual in nature and that are created as a result of statutory requirements imposed by the Government are not the financial instruments of the Company.

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost and fair value through other comprehensive income. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the Company applies the simplified approach, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company recognises in profit or loss, as an impairment gain or loss, the amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date.

### **Financial Liabilities**

All financial liabilities are recognised at the time when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities at amortised costs are initially measured at fair value minus transaction costs. Financial liabilities at fair value through profit or loss are initially recognised at fair value and transaction costs are expensed in the profit or loss.

Financial liabilities, other than those at fair value through profit or loss, are subsequently measured at amortised cost using the effective yield method.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expired. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange and modification is treated as a derecognition of the original liability and the recognition of new liability, and the difference in respective carrying amounts is recognised in the profit or loss.

#### **4.15 Offsetting of financial assets and financial liabilities**

A financial asset and a financial liability is offset and the net amount is reported in the financial statements if the Company has a legally enforceable right to set-off the transaction and also intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

#### **4.16 Provisions**

##### **Recognition and measurement**

Provisions for legal claims and make good obligations are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

##### **Judgement and estimates**

As the actual outflows can differ from estimates made for provisions due to changes in laws, regulations, public expectations, technology, prices and conditions, and can take place many years in the future, the carrying amounts of provisions are reviewed at each reporting date and adjusted to take account of such changes. Any adjustments to the amount of previously recognised provision is recognised in the statement of profit or loss unless the provision was originally recognised as part of cost of an asset.

#### **4.17 Dividend and appropriation in / from reserves**

Dividend is recognised as a liability in the period in which it is declared. Appropriations of profit are reflected in the statement of changes in equity in the period in which such appropriations are approved.

#### **4.18 Contingent assets**

Contingent assets are disclosed when there is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognised until their realisation becomes virtually certain.

#### **4.19 Contingent liabilities**

Contingent liability is disclosed when:

- there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company; or

- there is present obligation that arises from past events but it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

#### **4.20 Borrowing costs**

Borrowing costs relating to the acquisition, construction or production of a qualifying asset are recognised as part of the cost of that asset. All other borrowing costs are recognised as an expense in the period in which these are incurred.

#### **4.21 Revenue recognition**

Sales are stated net of sales tax & discounts & are recognised when persuasive evidence of sale exists. The key area of judgment in recognising revenue is the timing of recognition, which reflects the point or period when The Company has transferred control of goods to customers. Revenue from sale of goods is measured at fair value of the consideration received or receivable and is recognised as revenue on dispatch of goods to customers.

Profit on bank balances are recognised on a time proportion basis on the principal amount outstanding and at the applicable rate.

#### **4.22 Basic and diluted (loss) / earnings per share**

The Company presents basic and diluted (loss) / earnings per share (EPS) for its shareholders. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of "the company" by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares, if any.

## 5.2 Revalued freehold land and factory building on freehold land

On 2005, the Company elected to measure freehold land and factory building on freehold land (classified as property, plant and equipment) using the revaluation model. The fair value of the Company's freehold land and factory building on freehold land are determined on periodic, but at least triennial, by an independent professionally qualified valuer.

The carrying values of the freehold land and factory building and Lahore warehouse building on freehold land would have been Rs.3,964,588 (2020: Rs. 3,964,588) and Rs. 59,493,396 (2020: Rs. 66,009,332) under the cost model.

## 5.3 Fair value measurements under revaluation model for property, plant and equipment

The fair value measurements of the Company's freehold land and factory building on freehold land as at June 30, 2019 were performed by Dimensions Evaluators and Consultants (Private) Limited, who are independent valuers not related to the Company. Dimensions Evaluators and Consultants (Private) Limited are members of Pakistan Banks' Association and they have appropriate qualifications and recent experience in the fair value measurement of properties in the relevant locations.

The fair value of the freehold land was determined through market study of trend of sale and purchase in the area. The fair value of factory building on freehold land was determined using the cost approach that reflects the cost to a market participant to construct assets of comparable utility and age. The significant inputs include the estimated construction costs and other ancillary expenditure.

**11.2** This represents advance given for purchase of land in Lahore to Mr. Muhammad Latif Bhatti (deceased). As per the original terms of the agreement, this was the token money given by the Company to the landlord whilst an amount of Rs. 3.5 million was required to be made in order to execute the transfer deed. Subsequent to the death of the landlord, the legal heirs refused to execute the agreement, resultantly, the Company filed a civil suit in Lahore for the specific performance of the agreement. As on the reporting date, this case is pending. However, the legal counsel of the Company is confident that the case will be decided in favor of the Company.

**11.3** The advances to employees are given to meet business expenses and are settled as and when the expenses are incurred.

**17.4.1** These loans were restructured on April 1, 2020 whereby principal payments were deferred for a period of one year whilst the markup was payable as per the terms of the original agreement. However, these conditions were not implemented by the bank as a result of which modification adjustments as per requirements of IFRS 9 have not been accounted for in these financial statements.

**17.5** The maturity date of these loans was modified on July 1, 2019 as a result of restructuring of loans with banking companies whereby these loans were subordinated to the banks. Keeping in view the forecasted cashflows and profits, the management decided to extend the maturity date of these loans to June 30, 2025. As a result, modification adjustments have been made to these loans in accordance with the requirements of IFRS 9. In addition, unwinding of discount has also been recorded thereagainst.

**17.6** During the year, the Company & its directors have decided to convert the interest based loan to profit based loan effective from July 01, 2021. Consequently, the Company is liable to pay certain amount out of the profit before tax and no amount will be payable in case of loss. Based on future projections, the weighted average return on loan is 7% per annum. The loan is unsecured and payable in 6 years. As a result, modification adjustment has been made to these loans in accordance with the requirements of IFRS 9.

**19. POST EMPLOYMENT BENEFITS**

**19.1 Description of the unfunded gratuity scheme**

The scheme provides for terminal benefits for all its permanent employees who attain the minimum qualifying period at varying percentages of last drawn gross salary. The percentage depends on the number of service years with the Company. Annual charge is based on actuarial valuation carried out as at June 30, 2021 using the Projected Unit Credit Method.

**19.2 Risks on account of defined benefit plan**

The Company faces the following risks on account of defined benefit plan:

**19.2.1 Final salary risk** - The risk that the final salary at the time of cessation of service is greater than what the Group has assumed. Since the benefit is calculated on the final salary, the benefit amount would also increase proportionately.

**19.2.2 Mortality risk** - The risk that the actual mortality experience is different than the assumed mortality. This effect is more pronounced in schemes where the age and service distribution is on the higher side.

**19.2.3 Withdrawal risk** - The risk of actual withdrawals experience is different from assumed withdrawal probability. The significance of the withdrawal risk varies with the age, service and the entitled benefits of the beneficiary.

**19.2.4 Discount rate fluctuation** - The plan liabilities are calculated using a discount rate set with reference to corporate bond yields. A decrease in corporate bond yields will increase plan liabilities.

### 19.3 Actuarial assumptions

Following are a few important actuarial assumptions used in the valuation:

	2021	2020

## 19.8 Sensitivity analysis for actuarial assumptions

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

	Change in assumption	Impact on defined benefit obligation	
		Increase in assumption Rupees	Decrease in assumption Rupees
Discount rate at June 30	1%	832,669	832,669
Future salary increases	1%	1,558,066	1,558,066

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the gratuity liability recognized within the Statement of Financial Position.

## 19.9 Maturity profile of the defined benefit obligation

### Maturity Profile

## 24. CONTINGENCIES AND COMMITMENTS

### Contingencies

The Company has following contingent liabilities in respect of legal and other claims arising in the ordinary course of business.

### 24.1 Claims subject to legal proceedings

The details of claims by the company which are currently subject to the legal proceedings are detailed below:

- 24.1.1** The Company filed suit no. 151 of 2017 with High Court of Sindh against the increase of higher gas tariff rate from December 30, 2016 by the Sui Southern Gas Company Limited (SSGC). The Honorable High Court passed an interim injunction and ordered to deposit cheques monthly for the price differential amount with the Nazir of Sindh High Court, which amounted to Rs. 100,880,590 for the period from January'17 to June'19. The Company, based on the legal advice of its legal counsel, is confident of a favourable outcome of these applications to the Sindh High Court and, therefore, has not provided for this amount in these financial statements.

The Company filed suit no. 1803 of 2020 with High Court of Sindh against the increase of higher gas tariff rate from October 2020 by the Sui Southern Gas Company Limited (SSGC). The Honorable High Court passed an interim injunction and ordered to deposit cheques monthly for the price differential amount with the Nazir of Sindh High Court, which amounted to Rs. 24,251,461 for the period from October'20 to June'21. The Company, based on the legal advice of its legal counsel, is confident of a favourable outcome of these applications to the Sindh High Court and, therefore, has not provided for this amount in these financial statements.

24.1.2 During the year 2011, the Gas Infrastructure Development Cess (GIDC) was levied at Rs 13 per unit of gas consumption through the Gas Infrastructure Development Cess Act, 2011 (the Act) . The rate was increased to Rs 100 per unit w.e.f. July 2012 whereas subsequently it was reduced to Rs 50 per unit through a notification dated September 7, 2012. The High Court of Sindh through its order dated September 19, 2012, however, has restrained Sui Southern Gas Company Limited (SSGCL), being the company required to charge and collect the cess, from charging cess over and above Rs 13 per unit from the Company. In case of a separate petition on June 13, 2013, the GIDC Act was declared unconstitutional by the Peshawar High Court (PHC) and such judgment was also upheld by the Honorable Supreme Court of Pakistan (SCP) on August 22, 2014.

On September 25, 2014, the Gas Infrastructure Development Cess Ordinance, 2014 (the GIDC Ordinance) was promulgated which levied GIDC at Rs 150 per unit. Section 8 of the Ordinance inter alia states that notwithstanding anything to the contrary contained in any decree of any court, the cess levied under the Act shall be deemed to have been validly levied under the provision of the Ordinance (i.e. retrospective application). The Company filed a petition to invalidate the promulgation of the Ordinance which is pending adjudication. In the meantime on the basis of the Company's application on October 10, 2014, the High Court of Sindh issued a stay order in favour of the Company refraining SSGCL from collecting GIDC under the GIDC Ordinance.

On May 23, 2015, the Gas Infrastructure Development Cess Act, 2015 (the new GIDC Act) was promulgated which levied GIDC at Rs 100 per unit. Section 8 of the new GIDC Act inter alia states that notwithstanding anything to the contrary contained in any decree of any court, the cess levied under the new GIDC Act shall be deemed to have been validly levied under the provision of the new GIDC Act (i.e. retrospective application). The Company filed a petition to invalidate the promulgation of the new GIDC Act which is pending adjudication. On the basis of the Company's application on July 24, 2015, the High Court of Sindh issued a stay order in favour of the Company refraining SSGCL from collecting GIDC under the GIDC Act, 2015.

Subsequent to the reporting date, the Honorable Supreme Court of Pakistan (SCP) issued judgment on August 13, 2020 regarding applicability of Gas Infrastructure Development Cess (GIDC). The Court has ordered that GIDC shall be recovered in 24 equal monthly installments starting from August 1, 2020 without the component of late payment surcharge.

The Company, in this regard, filed Suit No. Nil of 2020 before the Honourable High Court of Sindh challenging the bills issued to the Company by SSGC allegedly in view of the Supreme Court judgement. While presenting arguments before the Honourable High Court of Sindh, reference was made to paragraph 37 and 42 of the Supreme Court Judgement whereby the Company has never collected GIDC from its clients / customers and have not even passed GIDC to their clients / customers.

The High Court of Sindh passed a restraining order preventing SSGC from taking any coercive action against the Company for non-payment of any bills showing arrears.

Further, the Company is considering filing a review petition with the SCP in due course of time. The Company, based on the legal advice of its legal counsel, is confident of a favourable outcome and, therefore, has not provided for GIDC amount in these financial statements.

**24.1.3** Through amendment order passed under section 122 (1) of the Income Tax Ordinance, 2001; the Company's return of total income for Tax Year 2018 was amended and taxable income was assessed at Rs. 60,029,594 against declared income of Rs. 56,032,053 before Workers Welfare Fund, however no tax liability emerged due to availability of income tax refunds. The Company preferred an appeal filed on March 2020 before Commissioner Inland Revenue (Appeals - 1), Karachi. Order against this appeal is yet to be issued. The Company's management and legal advisor feel that there are strong grounds to defend the Company's stance and the liability will not materialize, hence, no adjustment has been made in these financial statements.

<b>40. FINANCIAL RISK MANAGEMENT</b>		
<b>40.1 Financial risk</b>		

The Company's activities expose it to a variety of financial risks: market risk (including currency risk, interest rate risk, other market price risk), credit risk and liquidity risk. The Company's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance.

Risk management is carried out by the Board of Directors (the Board). The Board provides principles for overall risk management as well as policies covering specific areas such as currency risk, other price risk, interest rate risk, credit risk and liquidity risk.

The Company's overall risk management procedures, to minimize the potential adverse effects of financial market on the Company's performance, are as follows:

**(a) Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign currency, interest rate, commodity price and equity price that will affect the Company's income or the value of its holdings of financial instruments.

**(i) Currency risk**

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Currency risk arises mainly from future commercial transactions or receivables and payables that exist due to transactions in foreign currencies.

The Company is exposed to currency risk arising from various currency exposures, primarily with respect to United States Dollar (USD) and Euro (EUR). Currently, the Company's foreign exchange risk exposure is restricted to the amounts payable to foreign entities and foreign currency bank balances.

At June 30, 2021, if the Rupee had weakened / strengthen by 5% against the US dollar and Euro with all other variables held constant, pre-tax profit for the year would have been Rs. 328,960 (2020: Rs. 390,328) lower / higher, mainly as a result of foreign exchange losses / gains on translation of US dollar and Euro-denominated financial assets and liabilities.

**(ii) Interest rate risk**

This represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

As the Company has no significant floating interest rate assets, the Company's income is substantially independent of changes in market interest rates. The Company's interest rate risk arises from short term borrowings and long term financings. These financing, issued at variable rates, expose the Company to cash flow interest rate risk. The Company analyses its interest rate exposure on a dynamic basis taking into consideration refinancing, renewal of existing positions and alternative financing.

**Cash flow sensitivity analysis for variable rate instruments**

If interest rates at the reporting date fluctuate by 10% higher / lower with all other variables held constant, profit before tax for the year would have been Rs. 76,009,623 (2020: Rs. 67,269,292) lower / higher, mainly as a result of higher / lower interest expense on floating rate borrowings. This analysis is prepared assuming the amounts of liabilities outstanding at the reporting date are outstanding for the entire year.

**(iii) Other market**

Other price risk represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Company is not exposed to any market price risk.

**(b) Credit risk**

Credit risk represents the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Carrying amounts of financial assets represent the maximum credit exposure.

Credit risk of the Company arises from deposits with banks, long term deposits, short term deposits, trade receivables and other receivables. The management assesses the credit quality of the customers, taking into account their financial position, past experience and other factors. The utilization of credit limits is regularly monitored. For banks and financial institutions, only independently rated parties with a strong credit rating are accepted.

The Company monitors the credit quality of its financial assets with reference to historical performance of such assets and available external credit ratings, if any. Carrying values of financial assets exposed to credit risk, which are neither past due nor impaired are as under:

	2021	2020
	----- Rupees -----	
Long term deposits	897,038	897,038
Trade debts	34,942,121	22,244,347
Loans to employees	73,100	1,849,737
Short term deposits	35,249	430,327
Bank balances	<u>15,240,576</u>	<u>5,819,737</u>
	<u>51,188,084</u>	<u>31,241,186</u>

The aging of receivables as at reporting date is as follows:

Neither past due nor impaired	21,603,273	75,232,139
Past due but not impaired		
1 - 30 days	2,586,941	8,063,379
31 - 90 days	1,994,219	6,155,755
More than 90 days	8,757,687	11,997,862
	<u>34,942,120</u>	<u>101,449,135</u>

The credit risk on liquid funds is limited because the counter parties are banks with reasonably high credit ratings. The Company believes that it is not exposed to major concentration of credit risk as its exposure is spread over a large number of counter parties and trade receivables are subject to specific credit ceilings based on customer credit history.

The management estimates the recoverability of trade receivables on the basis of financial position and past history of its customers based on the objective evidence that it shall not receive the amount due from the particular customer. The provision is written off by the Company when it expects that it cannot recover the balance due. Any subsequent repayments in relation to amounts written off are credited directly to the statement of profit or loss.

The credit quality of bank balances that are neither past due nor impaired can be assessed by reference to external credit ratings (if available) or to historical information about counterparty default rate:

#### (c) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to manage liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company ensures that it has sufficient cash on demand to meet expected cash outflows during its operating cycle, including the servicing of financial obligations; this excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters. The Company monitors rolling forecasts of the liquidity reserve (comprising undrawn borrowing facilities and cash and cash equivalents) on the basis of expected cash flows. In addition, the Company's liquidity management policy involves projecting cash flows in each quarter and considering the level of liquid assets necessary to meet its liabilities and maintaining debt financing plans. The table below analyses the Company's financial liabilities into relevant maturity groupings based on the remaining period at the reporting date, to the contractual maturity dates. The amounts disclosed in the table are the contractual undiscounted cash flows and also include the impact of estimated future interest payments.

The contractual cash flows relating to the above financial liabilities have been determined on the basis of interest rates / mark up rates effective as at the reporting date. The rates of interest / mark up have been disclosed in relevant notes to these financial statements.

**(d) Fair value of financial instruments**

Fair value is an amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences may arise between the carrying value and the fair value estimates.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the reporting date. Fair value is determined on the basis of objective evidence at each reporting date. The carrying values of financial assets and financial liabilities approximate their fair values.

#### 41. CAPITAL RISK MANAGEMENT

The Company's objectives when managing capital are to safeguard Company's ability to continue as a going concern in order to provide returns for shareholders and benefit for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

The Company finances its operations through equity, borrowings and management of working capital with a view to maintain an appropriate mix between various sources of finance to minimise risk.

#### 43. IMPACT OF COVID-19

The pandemic of COVID-19 that has rapidly spread all across the world has not only endangered human lives but has also adversely impacted the global economy. On March 20, 2020, the Government of the Sindh announced a temporary lock down as a measure to reduce the spread of the COVID-19. Complying with the lockdown, the Company temporarily suspended its operations from March 23, 2020. In the Company's case, the lockdown was subsequently relaxed from end of May, 2020.

After implementing all the necessary Standard Operating Procedures (SOPs) to ensure safety of employees, the Company henceforth resumed its operations and has taken all necessary steps to ensure smooth and adequate continuation of its business in order to maintain business performance despite slowed down economic activity. The lockdown has caused disruptions in supply chain including supply to the customers resulting in a decline in sales. However, after the lockdown, there's been a steady increase in the overall economic activity due to increase in construction projects as a result of relief packages announced by the Government of Pakistan. Accordingly, the company forecasts an increase in turnover of the next reporting period which also goes on to support the going-concern assumption of the Company accompanied with positive cashflows due to maturity dates of various financing activities approaching in the next two reporting periods which will significantly reduce future finance cost.

According to management's assessment, there is no significant accounting impact of the effects of COVID-19 in these financial statements.
